 New York, July 29.-The renewal of the gold export movement, the revival of Colo, unfavorable rumors regarding the health Co of a member of the Standard Oil party, Colo, So. 2d the North Carolina rate matter, and the acquittal of Haywood, which was regarded as a triumph for the Western D. & R. G. miners' federation, enabled operators op- Eric posed to an upward movement of prices | Erie 1st. to attack the market with success to- Erie 2d. day and to shake out a good deal of Gen. Electric. 500 1394 138 stock that had been weakly held for an Gt. North. Orc. 300 58 58 advance.

At the opening, prices were not far away from the level of Saturday's final quotations, some stocks being fractionally higher and others fractionally lower than at the end of last week, but before the control of the control o business had been under way for more Missouri Pacific

The rallies were feeble, and each was made the occasion of a new demonstration against the market, that as a rule carried prices to a lower level than they had touched on the preceding decline, and touched on the preceding decline, and the second and the last hour the downward movement became quite pronounced, so that at the end many of the leading stocks were off from one to two points could be seen to two points day, while one of last week's market leaders, Union Pacific, was off three points.
